## Entering 7th or 8th Grade?

Join us **July 18-22** for the **2022 Darke County Summer Manufacturing Camp**, a five-day camp exploring the world of manufacturing. Discover exciting manufacturing careers available locally through activities and tours with local manufacturers.

Campers will learn by creating a product or service to solve a real world challenge. In the afternoons, campers will tour a local manufacturer where they will see their morning topics applied in the real world of manufacturing.

Return campers welcome — new activities & challenges are waiting for you!

### CAMP LOCATION:

**Greenville C-TEC**, 100 Greenwave Way, Greenville, OH.

Transportation to and from manufacturing tours will be provided.
